OCENCO M-20.2 EEBD

- PROVEN COMPRESSED OXYGEN TECHNOLOGY
- SUPERIOR PERFORMANCE
- 15-YEAR SERVICE LIFE
- ISO CERTIFIED TRAINING PROGRAM
- WORLD WIDE APPROVALS

...and there is more;

156,864 M-20.2 EEBDs on board Navy and Coast Guard ships around the world verify the superior design and performance of the Ocenco M-20.2.

UNMATCHED BENEFITS

15-Year Service Life The M-20.2 is certified for 15 years service.

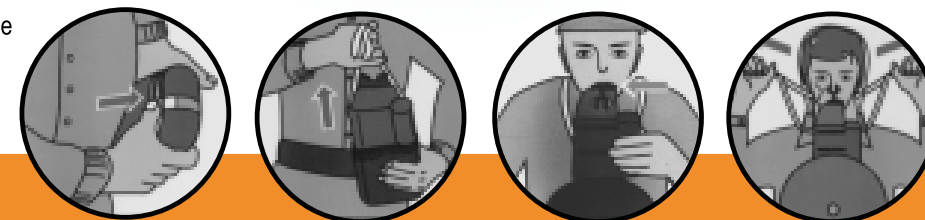

Maintenance-Free for 15 Years The M-20.2 requires only visual inspection by shipboard personnel once every two years.

SOLAS II-2 REGULATION 13 The M-20.2 and the Training Package are SOLAS Compliant for 15 years, in any port in the world.

Robust Design The sealed watertight case protects against harsh marine conditions.

Superior Performance Automatic activation, complete protection from life threatening atmospheres and the highest respiratory protection factor available.

THE OCENCO M-20.2 EEBD CAN BE DONNED IN SECONDS; simply unlatch the case, pull out the unit, and insert the mouthpiece and nose clip. The attached hood can be donned at anytime during the escape. The mouthpiece and nose clip combination allows the Ocenco M-20.2 EEBD to be donned in a smoke filled environment.
